The Science of Ayurveda

The Term Ayurveda comes from the sanskrit word ayus means life or Lifespan and veda means knowledge. So Indian ayurveda aims to restore balance to body, mind and spirit with holistic approach to health and well being. Since Ayurvedic treatments includes diet, exercise, meditation, breathing, physical therapy like massage, acupuncture etc. Even then also we believe in maintaining the natural equilibrium of our body matrix with balancing with all tridosha waat, pitta and cough.
